Dial-In

Number: (712) 775-7031 Code: 126-458

What you will learn:

- **What types of services do in-home care companies perform?**
- **What is the difference between in-home care agencies and online caregiver marketplaces?**
- **What should I know in hiring the best health care professional for these services?**
- **What are the costs for this type of care?**
- **Stories of care - from seniors, family caregivers and health care professionals**
- **How CareLinx can help your Village**

The leading nationwide marketplace to find
the right caregiver for your loved ones.
