network news Millage network.

February 2020

Barbara Hughes Sullivan, **Executive Director**

Dear Village Members, Friends and Supporters!

Happy 2020! What an exciting start of the next decade! First of all, Happy 10th Anniversary to Village to Village Network! To borrow an old cliché, "You've Come

a Long Way Baby!" We have some exciting news to start our new year off with a bang.

First, we want to welcome our newest board members, Pazit Aviv, Hilary Lenz, Susan Wylie and Wendy Zenker. They are joining our current board members, Mandy Summerson, Carol Paquette, Peter Fitzgerald, Peter Engstrom, Eddie Rivas, Dick Elkin, Emily Miller, Joel Shapira and Peggy Simpson. We also want to congratulate Carol Paquette, who will be serving as our Vice President. Many thanks to Paul Ramsey and Yasmin Shah for their service on our board and their many contributions to the organization.

Our National Village Conference is ramping up and will be held in Charlotte, North Carolina on October 5-7, 2020. The planning committee is working diligently to ensure that all the information and sessions will be posted as soon as possible.

Tentatively, we have planned a preconference Village 101 session for relatively new Villages or those just starting. The Village 101 sessions will be in the morning on Monday, October 5. The full conference will start that afternoon. So if you are part of a mature Village that's been operating for a few years, you could skip the morning sessions on Monday and attend the afternoon sessions. This will save you a hotel night if you fly in Monday morning.

We have a room block again this year, but it tends to sell out quickly, so book as soon as you can to secure your room.

You can find all the information on our website at **www.vtvnetwork.org**, just click on Conference 2020. See the next page for more details.

Some dates to keep in mind: If you are looking to do a presentation, the call for proposals deadline is March 6, 2020. If you are looking to sponsor or exhibit, the deadline is May 1, 2020. Early bird and group pricing for registration also ends May 1, 2020.

Feel free to contact our office if you have questions or need help in registering. All groups of four or more will need to register through our office.

Looking forward to a great couple of months! As always, thanks for your support.

Kind regards,

Barbara H Sullivan

Barbara

NATIONAL VILLAGE CONFERENCE

Charlotte North Carolina October 5-7, 2020

20/20 ~Clear Vision for the Future~

Registration for the 2020 National Village Conference is NOW OPEN!

We hope to see you at NVC2020!

VtV Network Welcomes New Board Members

Pazit Aviv works at Montgomery County Area Agency on Aging as a Village Coordinator. She consults grassroots community organizations on nonprofits startup and developments

and facilities the growth of all active and developing Villages in the County. One of her top priorities is capacity building for aging in place in diverse communities. Prior to this position, Pazit worked at Montgomery County's housing authority, where she developed innovative programs for independent low income older adults through partnerships and collaborations. Pazit holds a Certificate of Nonprofit Management from the George Washington University, an MSW degree from Salem State University with a focus on Aging and end of life care and two undergraduate degrees from the Hebrew University, Jerusalem: one in Social Work and one in East Asian Studies and Communication.

Susan Wylie is the Community Programs Coordinator at Episcopal SeniorLife Communities, based in Rochester, New York. ESLC owns and operates several living

facilities for older adults, offering a continuum of care. Susan is involved in a range of planning activities on behalf of ESLC, including the organization's Neighborhood Program, which is a community-based initiative that addresses the physical and sociological attributes of a community, to help older adults remain living independently in their place of choice. Susan joined ESLC after earning her Master of Architecture degree from the Rochester Institute of Technology. She is an attorney with twenty-five years of experience in private practice and as in-house counsel. Susan is a graduate of Princeton University and the University of Notre Dame Law School.

Hilary Lenz, MPH, is the Executive Director of A Little Help, a village connecting neighbors to help seniors thrive throughout Colorado. Hilary has over 11 years of experience as a director

for various organizations and businesses, including six and a half years as the Program Director and one and a half years as the Board Treasurer with A Little Help before rejoining the team as the Executive Director in January 2020. Previously, Hilary served as the Vice President of Finance for a software startup and as a Senior Consultant. In addition to her professional experience, Hilary founded an LLC to perform financial analytics services for over five years, has served as a board member for several organizations, and has been active in her community. Hilary earned her bachelor's degree from Duke University in Psychology and English and earned her Master of Public Health degree from the University of Pittsburgh.

Wendy Zenker is the Executive Director of Arlington Neighborhood Village, a Village providing services, support and engagement activities to 230 members in Arlington,

Virginia, a suburb of Washington D.C. Prior to joining Arlington Neighborhood Village in 2017, Wendy was the Senior Vice President for the National Council on Aging, where she directed the implementation of nationwide programs to improve the health and financial well-being of older adults, especially those with low incomes; and had a 30+ year career with the Federal Government, her last position as the Chief Operations Officer of the Corporation for National Service, which oversees the AmeriCorps and Senior Corps programs.

Albany Guardian Society Creates Village Creation Opportunity Award

for:

Founded in 1852, **Albany Guardian Society** (AGS) located in Albany, New York, is a not-for-profit charitable foundation with a mission to engage in a wide range of endeavors including education, research, information, and community engagement that will improve the life of seniors, family members and/ or caregivers of seniors. AGS has been supporting the development of Villages in the Capital Region for over eight years partnering with several organizations including the Village to Village Network.

New York State Capital Region Village Projects

In 2018 AGS formed the **Capital Region Villages Collaborative** (CRVC) which is a group of individuals, agencies, organizations, and Villages interested in forming, operating, and supporting Villages in the region surrounding Albany, New York.

The CRVC convenes regular meetings with Village updates, networking opportunities and educational presentations on aspects of developing and operating a Village. The CRVC provides resource materials, a listserv, and a website dedicated to developing Villages in the Capital Region.

In 2018, the New York State Office for Aging (NYSOFA) provided, through AGS Village, start-up grants enabling two Villages (Neighbors of Northern Columbia County and Shenendehowa Neighbors Connecting) to incorporate, file for and be recognized as tax exempt, begin operations, and membership recruitment. Managing the NYSOFA Village grants for these two emerging Villages enabled AGS to amass a wealth of information about steps and resources needed to form a nonprofit Village in New York State. Starting in 2019, AGS again partnered with NYSOFA to develop a **Villages Technical Assistance Center** (VTAC) that assist individuals and organizations in understanding the technical aspects of developing Villages including incorporation, budgeting, background checks, volunteer recruitment and insurance requirements for Villages. The VTAC has been an excellent resource for the development of Villages in Capital Region.

Village Start-up Funding

Start-up funding is always critical to the success of an emerging Village, but until the entity is incorporated it can't receive grants, and without funds an entity cannot incorporate. Realizing that the lack of funding is a barrier to startup, Albany Guardian Society recently initiated the **Village Creation Opportunity Award**. The Village Creation Opportunity Award provides successful applicants with funds

- A Village to Village Network Opportunity Membership to have access to a variety of documents and information that is extremely helpful in developing a Village; and
- Funds to cover the cost of Incorporation, filing with the IRS for 501(C)(3) tax exemption and Charities Bureau Registration.

The first Village Creation Opportunity awardee is Niskayuna Neighbors Network (NNN). The founders will be joining the Village to Village Network and will work with AGS and VTAC with the goal of launching this new Village later this year.

For more information about the work of AGS and the Village Movement visit

www.CRVillages.org

Northwest Neighbors Village receives Community Cornerstone Award

Northwest Neighbors Village is the proud recipient of the 2019 **Community Cornerstone** Award, awarded this past January by D.C. Councilmember At-Large Anita Bonds. Each year, Councilmember Bonds honors individuals, organizations, and local businesses whose efforts have positively impacted residents of the District of Columbia. Northwest Neighbors Village is honored to be recognized for providing over 10,000 hours of volunteer service last year and for our ongoing commitment to building a generous, supportive community where older adults are valued, age with dignity, and enjoy opportunities for growth and engagement.
